

ROCKY SHORE SYMPHONY

Words and Music by Linda Arnold

Nature composed a musical score

And called it the magical Rocky Shore

Let's all pay the sounds of the sea

And build a Rocky Shore symphony

First, the waves crashing down

Chushhh...chushhh

Let's add some bubbles splashing around

Bubububu...bubububu

Let's play them both for an ocean sound

Chushhh...bubububu

Chushhh...bubububu

In the Rocky Shore symphony

Here comes the wind to whistle and blow

Ooooh...ooooh

Here comes the wind to whistle and blow

Let's put in all together now with fortissimo!

Chushhh...bubububu

Ooooh...ooooh

Chushhh...bubububu

In the Rocky Shore symphony

Along with the sounds of the wind and the sea

Let's add some animals to the symphony

First the crabs click their claws

Click, click, click, click

Then the clams clap applause

Clap, clap, clap, clap

Next the penguins flap their feet

While the other animals wiggle to the beat

Chushhh...bubububu

Chushhh...bubububu

Chushhh...bubububu

In the Rocky Shore symphony

Nature composed a musical score

And called it the magical Rocky Shore

And as the tides rise and fall

The changing moon conducts it all

Oooh...bubububu

Oooh...bubububu

Chushhh...bubububu

In the Rocky Shore symphony

Oooh...bubububu

Oooh...bubububu

Chushhh...bubububu

In the Rocky Shore symphony
