

I'M A SEA STAR

Words by Linda Arnold and music by Linda Arnold and John Lee Sanders

I'm a Sea Star...I'm a Sea Star

Living in the sea...Living in the sea

My tiny tube feet...My tiny tube feet

Are very sticky...Are very sticky

When I get hungry...When I get hungry

For an ocean treat...For an ocean treat

I take my stomach out to eat...I take my stomach out to eat

I'm a Sea Star...I'm a Sea Star

With spiny skin...With spiny skin

My arms are called rays...My arms are called rays

Pointed and thin...Pointed and thin

If I lose an arm...If I lose an arm

I can grow it back again...I can grow it back again

I'm an invertebrate that can regenerate!

I'm an invertebrate that can regenerate!

CHORUS:

Sea Star

(Yeah, yeah, yeah)

Sea Star

(Yeah, yeah, yeah)

Sea Star

(Yeah, yeah, yeah)

Such a pretty sight

But what an appetite!

I'm a Sea Star...I'm a Sea Star

Living in the sea...Living in the sea

The mussels and the oysters...The mussels and the oysters

Are all afraid of me...Are all afraid of me

'Cause when I get hungry...'Cause when I get hungry

For a little more...For a little more

I vacuum clean up the ocean floor

I vacuum clean up the ocean floor

CHORUS

I'm a Sea Star...I'm a Sea Star

Living in the sea...Living in the sea

When I'm hungry for a treat...When I'm hungry for a treat

I take my stomach out to eat...I take my stomach out to eat
