

LULLABY LAND

Words and music by Linda Arnold

**There's a land far away
Where tiny golden dragons play
An island in a sea of lullabies**

**So all you little sleepyheads
In your wooden sailboat beds
Close your eyes, let's sail away
To the land where dreamers play**

**Lullaby Land, Lullaby Land
Let's sail away to Lullaby Land
Ice cream castles tall and grand
Beaches made of rainbow sand
Lullaby Land, Lullaby Land
La La La La Lullaby Land**

**Chocolate trees, skies of blue
Unicorns and rainbows too
A wondrous land deep inside of you**

**So with your teddy by your side
Let's begin our midnight ride
Oh what treasures wait in store
Once you've reached that magic shore
Lullaby Land, Lullaby Land
Let's sail away to Lullaby Land
Ice cream castles tall and grand
Beaches made of rainbow sand
Lullaby Land, Lullaby Land
La La La La Lullaby Land**
