

TEDDY BEAR KING'S WALTZ

Words and music by Linda Arnold

**Oh, the Teddy Bear King of Lullaby Land
Loves to go waltzing over the sand
With a one, two, three, one, two, three
Dancing so light
The Teddy Bear King goes waltzing at night**

**All the dolphins and mermaids
And fish in the sea
Love to go waltzing with his Majesty
With a flip of their fins
They swish through the night
As the waves roll along
In the silver moonlight**

**With bathrobe and slippers the Teddy Bear King
Gracefully twirls as the barnacles sing
But one royal rule that everyone knows
Never step on his Majesty's toes**

**Oh, the Teddy Bear King of Lullaby Land
Loves to go waltzing over the sand
With a one, two, three, one, two, three
Dancing so light
The Teddy Bear King goes waltzing at night**
