

MAGIC HORSE

Words and Music by Linda Arnold

If I had a magic horse
Think what I could do
Climb upon his silver back
And sail the skies of blue

Above the mountains high
My horse and I would fly
To a land far away
Where magic horses run and play

CHORUS:

Oh, if I had a magic horse
He'd be my best friend
Together we would sail away
To the rainbow's end
Oh, to the rainbow's end

Sunny days we would play
Beside the deep blue sea
He would be invisible
To everyone but me

Along the silver sand
He'd nibble from my hand
Laughing out loud
We'd dance and prance right
Through a cloud

CHORUS

Some nights I would wait for him
By the window of my room
Watching for his silhouette
To cross the silver moon

Swiftly he'd glide
Gently to my side
Like a shooting star
Into the night we'd travel far

CHORUS
