

MOMMY'S LULLABY

(Anonymous)

Mommy, go to sleep
'Cause you've had a busy day
You start counting sheep
And I'll put my toys away

You just get your rest
Don't you worry, mommy dear,
I can get myself undressed
Mr. Sandman's almost here

Teddy bear is sleepy too
So I will tuck him in with you
I'll kiss you goodnight
And may all your dreams come true
I will tip-toe, shut the light
Oh, and mommy, I love you
