

# **TEDDY BEAR**

Words and Music by Linda Arnold

**I've got a friend, his name is Ted  
And every night when it's time for bed  
If I need a pal he's always there  
Well, he's furry and he's fuzzy, he's my Teddy Bear**

**I've got a radio, a swing, a shiny red bike  
Some marbles and some stickers that I sure do like  
I've got some fancy colored pens and a soccer ball  
A unicorn picture hanging on my wall  
But, my Teddy Bear, I love him best of all!**

**I've got a friend, his name is Ted  
And every night when it's time for bed  
If I hold him tight, well, he don't care  
He's my huggable, lovable, sweet Teddy Bear**

**(Teddy, Teddy, Teddy Bear, Teddy, Teddy, Teddy Bear  
Teddy, Teddy, Teddy Bear, Teddy, Teddy, Teddy Bear)**

**He's my huggable, lovable, sweet Teddy Bear!**
