

WAITING FOR A BABY

Words and Music by Linda Arnold

Well, I'm waiting for a baby
I've got a little baby
And the little baby is waiting for me
Gonna be the cutest baby
Just the sweetest little baby
Just the best little baby
That ever ever could be

Well, I've got a little baby blanket
And I've got a little baby bed
And I've got a little baby pillow
For the little baby's head
And I've got some baby books
And I've got some baby games
But one thing I don't have
Are any baby names

Should it be: Jessica, Jeromie
Peter, Paul, Penelope, Aaron,
Darin, Christopher, Karen, Maxwell
Devon, Olive Oil, Zevon?
Oh heaven

I'll just call it a baby
I'm waitin' for baby
And the little baby is waiting for me
Gonna be the cutest baby
Just the sweetest little baby
Just the best little baby
That ever could be

Should it be: Jessica, Jeromie
Peter, Paul, Penelope, Aaron,
Darin, Christopher, Karen, Maxwell
Devon, Olive Oil, Zevon?
Oh heaven

**I'll just call it a baby
I'm waitin' for baby
And the little baby is waiting for me
Gonna be the cutest baby
Just the sweetest little baby
Just the best little baby
That ever could be**
