

# **TEDDY BEAR KING**

Words and Music by Linda Arnold

**In the Land of Lullabies  
There lives a Teddy Bear King  
With a nightcap on his head  
He rules his kingdom from his bed  
And every day in a jolly way  
You can hear him sing**

**“Oh, what a wonderful thing  
It is to be a Teddy Bear King  
Oh, what a wonderful thing  
A Teddy Bear King with a magic ring!”**

**In his velvet dressing gown  
Parades the Teddy Bear King  
Satin slippers on his feet  
He’s off to find his favorite treat  
And as he goes on teddy bear toes  
All the children sing**

**Oh, what a wonderful thing  
It is to be a Teddy Bear King  
Oh, what a wonderful thing  
A Teddy Bear King with a magic ring**

**Now the magic ring upon his hand  
With the emerald stone and the golden band  
Can make a dreamer’s wish come true  
Perhaps he’ll grant one just for you**

**“Oh, what a wonderful thing  
It is to be a Teddy Bear King  
Oh, what a wonderful thing  
A Teddy Bear King with a magic ring!”**
