

# PEPPERMINT WINGS

Words and Music by Linda Arnold and John Lee Sanders

Once upon a time through a forest so green  
A boy and a girl went walking  
Along a silver stream  
“Have we lost our way, for I cannot see the sky?”  
“Oh, how I wish we had wings to fly.”

Suddenly the wind whispered,  
Children, don't fear  
Your wish has been heard  
And a friend draws near  
Then out of the sky to their wondrous surprise  
Flew a magic horse with periwinkle eyes  
And peppermint wings, peppermint wings

Let's fly away, let's fly away  
To the Milky Way  
Together we will ride  
Into a magic wonderland we'll glide  
On Peppermint Wings

Beyond the blue horizon the children did fly  
To a crystal castle floating in the sky  
With kings, queens and dragons  
They ran off to play  
Dancing through clouds  
'Till the night slipped away

With pockets full of memories  
The children took flight  
Back to their home before the morning light  
“Peppermint Wings, please don't leave us behind.”  
“The land of our dreams how can we ever find?”

Follow your heart and your path will be true  
The power to dream lives inside of you  
On Peppermint Wings
