

LET'S LIVE PEACEFULLY

Words and Music by Linda Arnold

Now, a barn is a home for a horse
And a hive is a home for a bee
A shell is a home for a turtle
And a dog is a home for a flea
A jar is a home for a pickle
A branch is a home for a twig
A bed of straw is the happy home
For a cute little baby pig

And the face is a home for a smile
And a house is a home for me
And the earth is a home for a everyone
So, let's live peacefully

Let's all live peacefully
For the earth is a home
For everyone
From the whale to the honeybee

Now a nest is a home for an egg
And a tree is a home for a bird
A song is a home for a melody
And a book is a home for a word
A box is a home for cookies
A toy is a home for fun
And the sky above is the happy home
For the bright and shining sun

And the face is a home for a smile
And a house is a home for me
And the earth is a home for everyone
So, let's live peacefully

Let's all live peacefully
For the earth is a home
For everyone
From the whale to the honeybee

Let's all live peacefully
For the earth is a home
For everyone
From the whale to the honeybee
