

MR. WIZARD LIZARD

Words and Music by Linda Arnold

Oh, have you ever wished
That you could meet a wizard
Well, let me introduce you
To a very special one
His name is Mr. Lizard
And he is quite a wizard
He is the Wizard Lizard of Lullaby Land

He is the Wizard Lizard
"I am the Wizard Lizard."
He is the Wizard Lizard
Of Lullaby Land

When he was just a little one
Not much bigger than your thumb
He found a magic pebble
Lying on the sand
He sat upon the pebble
And made a special wish
And now he is the wizard
Of Lullaby Land

He is the Wizard Lizard
"I am the Wizard Lizard."
He is the Wizard Lizard
Of Lullaby Land

And now he stands three feet tall
"I have magic wand
And a crystal ball"
He wears a magic cape
And a pointed hat
"And I can turn invisible
Just like that!"

Oh, have you ever wished
That you could meet a wizard
Well, let me introduce you
To a very special one
His name is Mr. Lizard
And he is quite a wizard
He is the Wizard Lizard of Lullaby Land

He is the Wizard Lizard
"I am the Wizard Lizard."
He is the Wizard Lizard
Of Lullaby Land
