

PLEASE, PLEASE HERCULES

Words and Music by Linda Arnold

**Please, please Hercules
Won't you come out and play?... "No way!"
Please, please Hercules
Won't you come out and play?... "No way!"**

**I know that your shell is nice inside
But there's no need for you to hide
Won't you come out and have some fun
Say hello to everyone**

**Please, please Hercules
Won't you come out and play?... "No way!"
Please, please Hercules
Won't you come out and play?... "No way!"**

**I know that sometimes you're shy at heart
But all you need to do is start
Don't hesitate, don't hibernate
Make a friend and you'll feel great**

**Please, please Hercules
Won't you come out and play?... "No way!"
Please, please Hercules
Won't you come out and play?**

"Well, ah, ah, okay, hee hee hee."
