

LET'S PLAY

Words and Music by Linda Arnold

Let's play, let's play
Let's have some fun today
Let's play, let's play
Let's have some fun today

Imagine you're a monkey
Climbing up a tree
Below you lies the jungle
As far as the eye can see
Now you're juggling bananas
Catch them, one, two, three!
Oh, you silly monkey
You've dropped them all on me

CHORUS:

Let's play, let's play
Let's have some fun today
Let's play, let's play
Let's have some fun today

I'll be a pelican
Fishing in the sea
I'll be a tiger
As wild as can be
I'll be a parrot
Gliding on the breeze
Now put on your parrot goggles
And dive into the trees

CHORUS

I'll be the bass drum
I'm the steel drum
I'm the piano
I'm a lion having fun!
I'm a little monkey
Jumping one, two, three!
Oh, you silly monkey
You've landed right on me

CHORUS

Let's play, let's play
Let's have some fun today
