

RAINBOW CHORUS LINE

Words and music by Linda Arnold

**Red and orange, yellow and green
Blue and purple too
In our rainbow chorus line
There's a place for you**

**Red and orange, yellow and green
Blue and purple too
In our rainbow chorus line
There's a place for you
Let me see your rainbow
Let me see your rainbow
I can see a rainbow
Inside of me and you**

**In every silver spotlight
There's a rainbow hidden there
So find your own true colors
And shine them out
For all the world to share**

**Red and orange, yellow and green
Blue and purple too
In our rainbow chorus line
There's a place for you
Let me see your rainbow
Let me see your rainbow
I can see a rainbow
A rainbow shining through**
