

# **RAINBOW PALACE**

Words and music by Linda Arnold

**Welcome everyone for it's time to have some fun  
At the Rainbow Palace  
Dinosaurs and bears  
Bouncing in their chairs  
Waiting for the show  
At the Rainbow Palace  
Hear the music ring  
As all the children start to sing  
There'll be wonder in their eyes  
When they see the curtain rise  
At the Rainbow Palace**

**Up in the balcony  
You can hear the children's laughter  
Every time with bravo  
All the tap dancing alligators  
Steal the show**

**So come and take your seat  
For the music is a treat  
At the Rainbow Palace  
Ducks and Unicorns  
Blowing on their horns  
Waiting for the show  
At the Rainbow Palace  
Dream and you'll go far  
For everyone's a star  
So, join the chorus line  
Where everyone will shine  
At the Magical Rainbow Palace**
