

DON'T LET A DINOSAUR STEP ON YOU

Words and music by Linda Arnold

**Well, dinosaurs are fun and dinosaurs are neat
But all dinosaurs have great big feet!
So no matter what you do
Don't let a dinosaur step on you!
No, no, no! No matter what you do
Don't let a dinosaur step on you**

**I went to school the other day
My friends and I were starting to play
All of a sudden the bell rang out
I heard my teacher start to shout
"Oh wee! Can't you see!
There's a great big dinosaur stepping on me!"
"Pardon me."**

**No matter what you do
Don't let a dinosaur step on you!
No, no, no! No matter what you do
Don't let a dinosaur step on you**

"Great balls of fire!"

**I went today to the animal fair
All the little birds and the beasts were there
I was having a chat with Mr. Crocodi,
When, suddenly I heard him start to cry
"Oh wee! I heard him wail
"There's a great big dinosaur stepping on my tail!"
"So sorry."**

**No matter what you do
Don't let a dinosaur step on you!
No, no, no! No matter what you do
Don't let a dinosaur step on you**

**Well, dinosaurs are fun and dinosaurs are neat
But all dinosaurs have great big feet!
So no matter what you do
Don't let a dinosaur step on you!
No, no, no! No matter what you do
Don't let a dinosaur step on you
"Whoa yeah!"**
