

WE ALL HAVE STORIES

Words and music by Linda Arnold

**We all have stories, stories to tell
We all have stories, so listen well**

**Listen to the song of the beating drum
The dance of the rain, the wind, and the sun
Voices from nature and our family
Help us remember all we can be**

**Hey yah na ho na na
Hey yah na ho na na
Hey yah na ho na na
Hey yah na ho na na**

**We all have stories, stories to tell
We all have stories, so listen well**

**Stories of our lives, made of many strands
Braided together by many hands
Courage and joy, laughter and tears
Braided together through many years**

**Hey yah na ho na na
Hey yah na ho na na
Hey yah na ho na na
Hey yah na ho na na**
