

# **WEB OF BEAUTY**

**Words and music by Linda Arnold**

**Spider, spider, show us how  
To weave a web of beauty  
Spider, spider, show us how to weave a web so fine  
“Look around at all the colors of nature  
Look around at all the colors everywhere.”**

**Spider, spider, show us how  
To weave a web of beauty  
Spider, spider, show us how to weave a web so fine  
“Look around at all the patterns in nature  
Look around at all the patterns everywhere.”**

**Spider, spider, show us how  
To weave a web of beauty  
Spider, spider, show us how  
To weave a web so fine  
“Look around at all the magic of nature  
Look around at all the magic everywhere.”**
