

KINDNESS IS A MAGIC SONG

Words and music by Linda Arnold

**Kindness is a magic song
Sing the notes and you can't go wrong
Kindness is a magic song
Full of harmony**

**Father, mother, sister, brother
Friend and neighbor too
When we help each other
It's the best thing we can do**

**Kindness is a magic song
Sing the notes and you can't go wrong
Kindness is a magic song
Full of harmony**

**From circus stars and acrobats
To friends like you and me
When we help each other
We are one big family**

**Kindness is a magic song
Sing the notes and you can't go wrong
Kindness is a magic song
Full of harmony**
