

ANIMALS EVERYWHERE

Words and music by Linda Arnold

**Tadpoles in the kitchen, minnows in a pan
Frogs in dad's pajamas, stinkbugs in a can
Goldfish in the bathtub, snakes under my chair
Brian has animals, animals everywhere**

“Brian what is that?” It's a baby frog, mom.”

**Tadpoles in the kitchen, minnows in a pan
Frogs in dad's pajamas, stinkbugs in a can
Goldfish in the bathtub, earthworms in my hair
Brian has animals, animals everywhere**

**“Somebody help me, what am I to do?
I just found a lizard in my shoe!”**

**“Mom, Brian brought home a skunk!”
“He's only a baby skunk. Can I keep him?”**

**Tadpoles in the kitchen, minnows in a pan
Frogs in dad's pajamas, stinkbugs in a can
Goldfish in the bathtub, this just isn't fair
Brian has animals, animals everywhere**
