

# **RIDING TO THE FIRE**

Words and music by Linda Arnold

**Oh, we're riding to the fire just in time  
Clang clang!  
Riding to the fire just in time  
Clang clang!  
Riding to the fire, riding to the fire  
We're riding to the fire just in time  
Clang clang!**

**Lucky is riding with us too, woof, woof!  
Pumpkin is riding with us too, meow!  
Lucky is riding, pumpkin is riding  
They're both riding with us too  
Meow, woof, woof, clang, clang!**

**Oh, we'll turn on the hoses just in time  
Splash, splash!  
Turn on the hoses just in time  
Splash, splash!  
Turn on the hoses, turn on the hoses  
We'll turn on the hoses just in time  
Splash, splash, meow, woof, woof, clang, clang!**

**Oh, we'll put out the fire just in time, hooray!  
Put out the fire just in time, hooray!  
Put out the fire, put out the fire  
We'll put out the fire just in time, hooraaaay!**
