

# **TRY, TRY AGAIN**

Words and music by Linda Arnold

**If at first you don't succeed  
Try, try again  
Every dream in life takes time  
So, try, try again**

**When life is like a trampoline  
And you keep on falling down  
Bounce right back like a jumping jack  
And soon you'll wear the crown**

**Don't give up, don't give in  
Jump right back into center ring  
If at first you don't succeed  
Try, try again**

**When life is like a tightrope wire  
And you're shaking from head to toe  
One step at a time and soon you'll find  
You're the star of the show**

**Don't give up, don't give in  
Jump right back into center ring  
If at first you don't succeed  
Try, try again**

**Your dreams may seem impossible  
From down on the sawdust floor  
But climb right up to that big trapeze  
And feel your spirit soar**

**Don't give up, don't give in  
Jump right back into center ring  
If at first you don't succeed  
Try, try again**

**If at first you don't succeed  
Try, try again  
Every dream in life takes time  
So, try, try again**
