

CIRCUS PARADE

Words and music by Linda Arnold

**Peanuts, popcorn, lemonade
Let's all join the circus parade
Peanuts, popcorn, lemonade
Let's join the circus parade**

**There goes Jumbo Junior
With ears so big and wide
Now pretend you're a baby elephant
And swing your trunk from side to side**

**Peanuts, popcorn, lemonade
Let's all join the circus parade
Peanuts, popcorn, lemonade
Let's join the circus parade**

**Pretend that you're a funny bear
Or a poodle on tiptoe
A camel, a zebra, a silly seal
Make believe and away we go**

**Peanuts, popcorn, lemonade
Let's all join the circus parade
Peanuts, popcorn, lemonade
Let's join the circus parade**

**Pretend that you're a prancing pony
A lion or a chimpanzee
A Bengal tiger, a tall giraffe
Imagination is your key**

**Peanuts, popcorn, lemonade
Let's all join the circus parade
Peanuts, popcorn, lemonade
Let's join the circus parade**
