

HAPPINESS CAKE

Words and Music by Linda Arnold

**“Ho ho, hee, hee, I’m Grandfather T
And Happiness Cake is my specialty
So, if you’d like to bake a Happiness Cake
Here’s a marvelous recipe.”**

**A pinch of laughter and a dash of salt
Two cups of caring and some chocolate malt
A cupful of kindness, a teaspoon of glee
Some special fun power, “Yippee!”
A tablespoon of friendship
Some lemon drops
Stir it all up with some lollipops
Bake with a rainbow from above
And the best ingredient of all is...LOVE**

**Happiness isn’t something you can buy
You’ll never find it sitting on a shelf
Happiness is something if you try
You can make the recipe yourself**

And I’m sure your cake will turn out fine
Life is like a cake that only you can bake
And what you put inside is in the bite you take!”**
