

ONE EARTH

Words and Music by Linda Arnold

**One earth, one world
One home for you and me
Together we can learn to live peacefully
One earth, one world
One home for you and me
Together we can learn to live peacefully**

**One earth, one world
One home for you and me
Together we can learn to live peacefully
One earth, one world
One home for you and me
Together we can learn to live peacefully**

Peacefully
