

PEANUT BUTTER

Words and Music by Linda Arnold

I like a peanut butter sandwich for lunch
I like a peanut butter sandwich to munch
I like a peanut butter sandwich with tea
Peanut butter there's no other
Sandwich for me
I like a peanut (toot toot) sandwich with jam
I like a peanut (toot toot) sandwich with ham
I like a peanut (toot toot) sandwich with cake
Peanut (toot toot) there's no other
Sandwich to make

I've got peanut butter stuck to my nose
And peanut butter all over my clothes
I've got peanut butter stuck to my hair
I've got crunchy peanut (toot toot) everywhere

I like a peanut butter sandwich for lunch
I like a peanut butter sandwich to munch
I like a peanut (toot toot) sandwich with tea
Peanut butter there's no other
Sandwich for me

I've got peanut butter stuck to my nose
And peanut butter all over my clothes
I've got peanut butter stuck to my hair
I've got crunchy peanut butter absolutely everywhere!

I like a peanut butter sandwich for lunch
I like a peanut butter sandwich to munch
I like a peanut (toot toot) sandwich with tea
Peanut butter there's no other
Sandwich for me

Peanut butter!
