

# THANK YOU

Words and Music by Linda Arnold

Thank you stars, thank you moon  
Thank you pillow in my quiet room  
Thank you mother, thank you dad  
Thank you heart for feeling glad

Thank you sun, thank you rain  
Thank you snowflakes, on my window pane  
Thank you kittens, puppies too  
Thank you clouds and skies of blue

Thank you stars, thank you moon  
Thank you pillow in my quiet room  
Thank you mother, thank you dad  
Thank you heart for feeling glad
