

OUR FAMILY

Words and Music by Linda Arnold

Me and my mother
Me and my brother
Me and my daddy
Me and my mom
Singing a song
About our family

Me and my mother
Me and my brother
Me and my daddy
A father and a mother
A sister and a brother
And the brother is a little baby
Well grandma and grandpa
Are part of the family
And grandma and grandpa
Sure love me

Me and my mother
Me and my brother
Me and my daddy
Me and my mom
Singing a song
About our family

I wish I had a cousin
I think I'll take a dozen
So we could laugh and play
My daddy's sister's
Gonna have a baby
That means a cousin, hurray
Well all my aunts and uncles
Are part of the family
And all my aunts and uncles
Sure love me

Me and my mother
Me and my brother
Me and my daddy
A father and a mother
A sister and a brother
And that's our family
