

DR. DOREMI

Words and Music by Linda Arnold

Hello boys and girls
My name is Dr. DoReMi FaSoLaTiDo
Let's all sing the scale
Do-Re-Mi-Fa-So-La-Ti...Ah choo!

My name is Dr. DoReMi FaSoLaTiDo
And if you want to sing with me
Ready, here we go, singing is a lot of fun
And very good for you
But every time I sing the scale
I always go Ah choo!

CHORUS:

Ah choo, Ah choo! Oh what am I to do
Every time I sing the scale
I always go Ah choo!
Ah choo, Ah choo! Oh what am I to do
Every time I sing the scale
I always go Ah choo!

When I was just a little boy
My mama said to me
Practice all your scales and a singer you will be
So every day I practice
Like the birdies in the tree
But every time I sing the scale
Guess what happens to me

CHORUS

I made my operatic debut on the London stage
Everyone was clapping and I was all the rage
In my final aria with fortissi-issimo
I started singing up the scale and then uh oh!

CHORUS

Oh well, let's all try it together anyway, here we go!
Do Re Mi Fa So La Ti...aah aah
(Do)
Ah choo!
