

SOULS ALIKE

Words and music by Linda Arnold

We've been singing together
For as long as I remember
And as long as I remember
I've been singing with you

And we've been laughing together
And it doesn't get much better
Sharing time with you
Has meant the world to me

Souls alike, hearts entwined
All these years, you've been a friend of mine
Not always easy, but always true
All these years, loving you

We've been dreaming together
For as long as I remember
And as long as I remember
I've been dreaming with you

And we've been searching together
Every season that we weather
Never having to pretend
Has meant the world to me

Souls alike, hearts entwined
All these years, you've been a friend of mine
Not always easy, but always true
All these years, loving you

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Souls alike, hearts entwined
