

FLYING THROUGH THE SEA

Words by Linda Arnold and music by Linda Arnold and John Lee Sanders

**I'm a white-bellied bird from the southern seas
I live in the water instead of the trees
The ocean is where I play and explore
Riding the waves of the rocky shore**

**Flying through the sea
Feeling so free, I'm a penguin
Flying through the sea
Feeling so free, I'm a penguin**

**Flying, oh yes, I'm flying
Oh yes, I'm flying
Oh yes, I'm flying through the sea
Flying, oh yes, I'm flying
Oh yes, I'm flying
Oh yes, I'm flying through the sea**

**(Uhhmm awakawaka
Hmm hmm awakawaka
Uhhmm awakawaka
Hmm hmm awakawaka)**

**Some birds fly through the air
Some fly through the sea
I can swim so fast under water
You'll never catch up with me**

**Flying through the sea
Feeling so free, I'm a penguin
Flying through the sea
Feeling so free, I'm a penguin**

**My wings are small, heavy and strong
Just like paddles they move me along
I can surf the waves, ride the tide
Or dive like a submarine and glide**

**Flying through the sea
Feeling so free, I'm a penguin
Flying through the sea
Feeling so free, I'm a penguin**

**Flying, oh yes, I'm flying
Oh yes, I'm flying
Oh yes, I'm flying through the sea
Flying, oh yes, I'm flying
Oh yes, I'm flying
Oh yes, I'm flying through the sea**

**(Uhhmm awakawaka
Hmm hmm awakawaka
Uhhmm awakawaka
Hmm hmm awakawaka)**

**I hatch my young along the shore
And when they're strong I return once more
To brave the waves, the rocks and the foam
For the ocean is my home**

**Flying through the sea
Feeling so free, I'm a penguin
Flying through the sea
Feeling so free, I'm a penguin**

**Flying, oh yes, I'm flying
Oh yes, I'm flying
Oh yes, I'm flying through the sea
Flying, oh yes, I'm flying
Oh yes, I'm flying
Oh yes, I'm flying through the sea**

**Flying, oh yes, I'm flying
Oh yes, I'm flying
Oh yes, I'm flying through the southern seas**
