

HIDE AND SEEK/LAS ESCONDIDAS

Words and Music by Linda Arnold

Hide and seek, hide and seek
Little animals look for shelter in the coral reef
Las Escondidas, Las Escondidas
Animales buscan refugio en el coral

Aqui viene el tiburón paseando
Here comes the shark cruising around
Vamos pecesitos! Es tiempo de esconderse!
Look out little fish! It's time for you to hide!

Hide and seek, hide and seek
Little animals look for shelter in the coral reef

Aqui viene el pulpo moviendo sus tentáculos
Here comes the octopus waving its arms
Vamos camaronesitos! Es tiempo de esconderse!
Look out little shrimp! It's time for you to hide!

Hide and seek, Las Escondidas
Little animals look for shelter in the coral reef...en el coral!

There's the little jawfish busy keeping clean
Come too near his tidy burrow and he will be mean!
Cuidado! El pez mandibula se enoja!
Look out here he comes! Everybody hide!

Hide and seek, hide and seek
Little animals look for shelter in the coral reef
Las Escondidas, Las Escondidas
Animales buscan refugio en el coral
